Fifth Third Bank Supports the Lynne Sherwood Waterfront Stadium Project

Grand Haven, Michigan – The Lynne Sherwood Waterfront Stadium project has received a $25,000 pledge from Fifth Third Bank, according to The Grand Haven Area Community Foundation (GHACF), who gifted $3M to the project in 2016.

Fifth Third Bank has played an integral part in the development of West Michigan for decades, and this partnership demonstrates their continued dedication to supporting and improving communities within their markets.

"At Fifth Third Bank, we pride ourselves on our community involvement,” said Scott Lubbers, Community President, Fifth Third Bank. “Projects like this – which support long term economic stability of Grand Haven and the larger region – are an example of how we work with community leaders to help our communities to prosper. We’re pleased to be part of this exciting project.”

The Lynne Sherwood Waterfront Stadium will replace the current aging bleachers and help continue the investment along the waterfront – one of the area's many treasured assets. The new waterfront stadium will be located in the heart of Grand Haven along the shore of the Grand River leading out to Lake Michigan. The facility will have a tiered grass seating, volleyball playing surface, seasonal ice rink, areas for dancing, a band shell, winter fire pits, concession stand, flagpoles and more. Construction is set to begin in the fall of 2017.
The partnership between the Grand Haven Area Community Foundation, the City of Grand Haven, and a small community volunteer committee received approval of design plans by the Grand Haven City Council in 2016.

“We are extremely grateful to Fifth Third Bank for generously supporting this important community project that will help honor Lynne Sherwood and continue our investment in our downtown,” said Holly Johnson, President of the GHACF. “Lynne was one of our community's most generous philanthropists and her bequest to the foundation will have a broad and positive effect on this community forever. It is fitting that Lynne's love of community and generous philanthropy be recognized in the heart of Grand Haven.”

The new stadium is named after Lynne Sherwood, a local philanthropist who died in 2016. Sherwood and her family have been involved in the community’s banking industry for decades.
