Fill out one application for all scholarships!

OCTOBER THROUGH FEBRUARY

Application is now open at www.allendale-cf.org.

Free Application for Federal Student Aid (FAFSA) – If you are graduating from high school in 2021, or even if you are currently in college, you must submit the Free Application for Federal Student Aid (FAFSA) by March 1, 2021 to be considered for federal student financial aid and to be considered for a Foundation Scholarship.

Scholarship deadline is Friday, February 26, 2021 at 5pm.

Scholarship applications must be completed and submitted online by 5pm on Friday, February 26, 2021.

Any applicant that submits by February 12, 2021 will be entered into a drawing to win a \$250 gift card.

MARCH & APRIL

Application processing and selection committees convene. Selection committees meet during the month of April.

MAY & JUNE

Notification letters are sent to college students and scholarship awards are presented to local high school students at the High School Award Night. Check with your high school for the date and time of that event. We do not send letters to those who do not receive a scholarship.

JULY & AUGUST

Scholarship awards are mailed to educational institutions.

FREQUENTLY ASKED QUESTIONS ABOUT SCHOLARSHIPS

Do I have to re-apply if I received an Allendale Community Foundation Scholarship last year? Yes, the majority of scholarships are one time awards. If you have received a renewable scholarship, you will be notified by the Foundation in December and instructed how to re-apply.

Is an unofficial transcript of my grades okay? For high school seniors, your complete transcript including your most recent senior-year grades, cumulative grade point average, ACT or SAT score and class rank is required. For college students, an unofficial transcript or internet printout of your transcript is acceptable as long as it is a complete transcript of your college work to date, is clearly labeled with your name, current academic year, your cumulative grade point average, and the name of the college or university.

Which scholarships are available to current college students? Please see the list of scholarships in the description of available scholarship offered by the Foundation on our website at www.ghacf.org.

Why are most Grand Haven Area Community Foundation scholarships limited to Tri-Cities residents? Donors select criteria that are important to them and supporting local students remains a top priority with many of our donors. If you reside in another area, you should check with your nearest community foundation.

When will I find out if I have been awarded a scholarship? High school recipients are notified at the individual high school awards ceremonies in May and June. College students are notified by email by the end of May. *While we make every effort to get the scholarship gift to the College before tuition is due, keep in mind that in order to avoid late fees, it is your responsibility to pay for the tuition by the due date.*

Are all Foundation scholarships need-based and why do I need to complete the FAFSA? No, not all of our scholarships have a financial need component. However, we feel that FAFSA completion is an important part of the college application process. We require that the FAFSA be completed and the SAR report submitted with your application before you will be considered for any of our scholarships. We have free resources that are available to you if you need help filling out this form – just call us for more information. If you have unusual circumstances that will make it impossible to complete your FAFSA, please call our office.

If I am awarded a scholarship, how is it paid? Checks are made payable and mailed directly to the college after you have electronically submitted a signed scholarship agreement and thank you note. Payments will not be made until formal acceptance of the scholarship is completed.

What happens if I don't attend my first-choice school or change my mind on where I'll be attending after the scholarship application deadline? Please let the Foundation know before scholarship decisions are announced. Some scholarships are specific to the school you will be attending and will not be able to be utilized if you no longer meet the requirements.

How is financial need determined? Students seeking financial assistance should begin the process by completing the Free Application for Federal Student Aid (FAFSA). Through detailed information provided on the application, a Student Aid Report (SAR) is issued.

May I receive scholarships from more than one fund? Occasionally a student may be selected to receive a scholarship from more than one Foundation scholarship fund; however, it is the exception rather than the rule.

Are these scholarships taxable? These awards are to apply to direct college expenses at the institution, such as tuition, fees, and books. The recipients of scholarships are responsible for any tax liability incurred as a result of these awards. Recipients should consult a tax professional for additional reporting responsibilities.

If I receive an award, is it important to send the donor a thank you note? Absolutely! These awards are generous gifts from donors and should be acknowledged as such. All thank you cards are gathered at the Foundation office and given to the individual donors who read and cherish them.
